

# FEBRUARY 2022

## is Give Kids A Smile Month

ADA American Dental Association®

One of the most asked question about GKAS is, “What do these children do the other 364 days a year for dental care?” It is a very good question and New Jersey has many options to ensure quality, low-cost dental care is available year-round.

This page provides parents, guardians and school nurses with resources for dental care for their children/students. Below are a series of websites that may help families secure a dental home for their children.

- **Dental Lifeline (Donated Dental Services)**  
*[dentallifeline.org/about-us/our-programs/#DDS](http://dentallifeline.org/about-us/our-programs/#DDS)*
- **Donated Orthodontics (free braces for eligible children)**  
*[njbraces.org/menus/njao-donated-orthodontic-services-program.html](http://njbraces.org/menus/njao-donated-orthodontic-services-program.html)*
- **Smiles Change Lives (Low-cost braces for eligible children)**  
*[smileschangelives.org](http://smileschangelives.org)*
- **NJ FamilyCare—affordable dental health coverage for children**  
*[njfamilycare.org](http://njfamilycare.org)*
- **Find-A-Dentist (NJDA member dentists only) in New Jersey**  
*[njda.org/for-the-public/find-a-dentist](http://njda.org/for-the-public/find-a-dentist)*

All of the above information can be found at the New Jersey Dental Association website at: [njda.org/publicresources](http://njda.org/publicresources)

**Follow us on social media (@NJDentalAssoc)  
for Give Kids A Smile updates and additional information**
